

ELZA HOVHANNISYAN

Technical Project Manager

Yerevan, Armenia | +37494536530 | elzahovhannisyan7@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#) | [Armenia Events](#)

PROFESSIONAL SUMMARY

Frontend Engineer with 5+ years of experience building scalable web applications and delivering high-quality digital products. Strong expertise in Angular, TypeScript, React, UI architecture, responsive design, and modern frontend development practices. Experienced in leading frontend initiatives, collaborating with cross-functional teams, and supporting Agile software delivery as a Technical Project Manager. Skilled in SDLC processes, Scrum, sprint planning, stakeholder communication, and business-to-technical alignment.

PROFESSIONAL EXPERIENCE

MOBIUS CHARITABLE FOUNDATION | Technical Project Manager | Dec 2024 – Mar 2026

- Developed and delivered mobius.am from initial planning through production release.
- Built responsive frontend solutions using Angular, TypeScript, and modern UI development practices.
- Managed SDLC activities including backlog planning, sprint coordination, timelines, and delivery tracking.
- Collaborated with developers, QA, designers, and stakeholders in an Agile/Scrum environment.
- Translated business requirements into technical solutions and supported product delivery.

OVAK TECHNOLOGIES LLC | Frontend Team Lead & Technical Project Coordinator | Apr 2021 – Jan 2026

- Led frontend development using Angular and TypeScript for enterprise SaaS applications.
- Mentored and supported a team of 3–5 frontend engineers.
- Designed scalable UI architecture, reusable components, and maintainable frontend solutions.
- Coordinated Scrum ceremonies, sprint execution, release planning, and issue resolution.
- Worked with ERP/CRM systems, integrations, and workflow automation solutions.
- Collaborated with product and business teams to deliver user-focused digital products.
